TC:

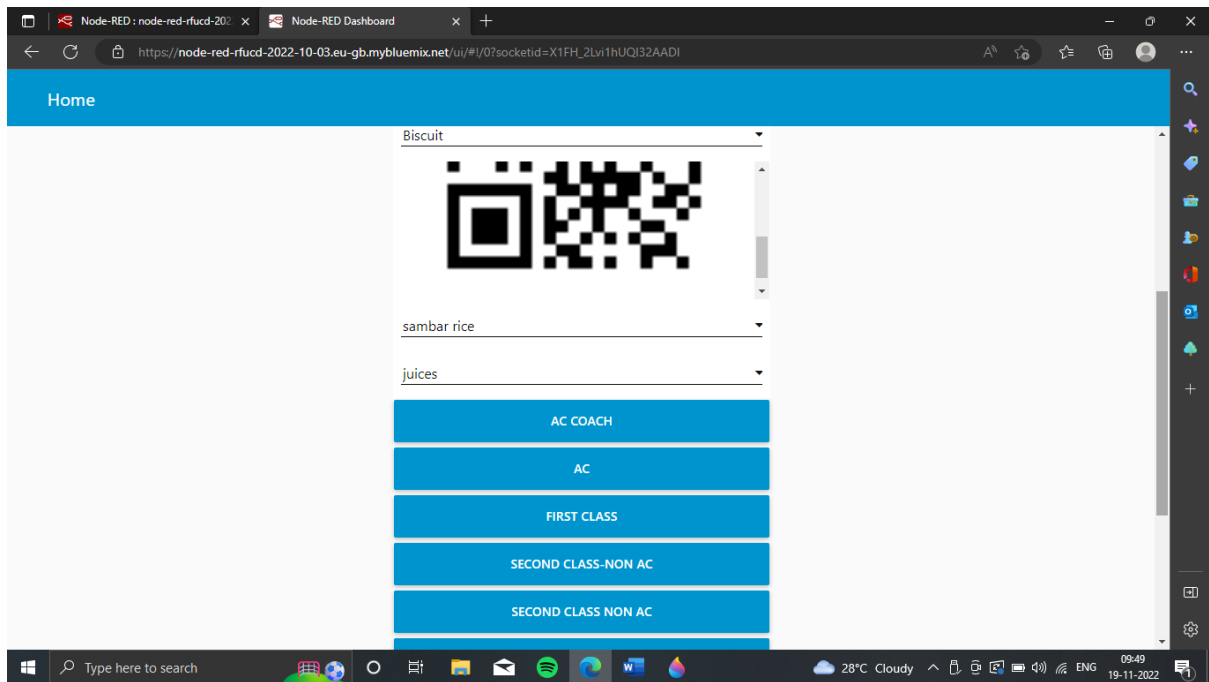

OUTPUTS:

The screenshot shows the Node-RED dashboard with a "Home" header. The main content area displays the output of the QR ticket scanning process, titled "railways". The output is a form with the following fields:

- passengers name: kumar.s
- passengers email id: passenger123@gmail.com
- select the boarding station: 86523871215
- select destination: Bangalore
- passengers phone number: Dindugal
- passengers phone number: Biscuit

At the bottom of the form, there is a QR code.
